**Subject:** Reassessment Data Collection

**Flag Status:** Flagged

Please be advised that data collectors from Tyler Technologies will soon be making their way into Glenburn Township as part of the County-wide reassessment effort. All data collectors will be wearing yellow safety vests as well as County issued ID's around their necks with lanyards. You can see pictures of the data collectors, as well as the cars they drive here: <https://empower.tylertech.com/rs/015-NUU-525/images/lackawanna-county-data-collectors.pdf>

Please make the local police as well as Township officials aware of this development.
