Unfinished Business

Nothing was noted at this time.

New Business

1. Larry Nicolais of Constantinos, regarding the house on Humphery Street Demo that he purchased, and would like to have the area cleaned up and just a green space.

Supervisors suggested that we investigate the Community Development Block Grant . We can follow up hopefully at the next meeting with information on the grant .

2. Awarded Grant for Paving on Pine Tree Drive – bid is due in by May 23, 2024 at 11:00 AM

3. Mike Sinkevich – Willow Road water on his property.

His property had a wash out in September, his contractor told him not to touch the swale; if the township would give an easement and put a complete swale in towards Waterford Road. Mike also spoke to Jerry Stiles and was told there are funds available from Lackawanna County Conservation.

Also, regarding the stormwater (EPA) for sewage facilities & stormwater management , he would also like to cleanup and pave his driveway. Also discussing pipe under the street. Supervisor Davis will investigate this between Willow and White Birch for an easement to pull water away from the homes.

Scranton Street Project – There have been no funds available for this for the past three years.

Jim Davis will talk to Jerry Stiles and see if money is there for us and told Mike Sinkovich to keep us updated.

Public Comment

Resident Karen Evankovich lives on Waterford Road and wanted to thank the road crew for the magnificent work they did with the milling and pothole filling. It looks wonderful.

Announcements
