

It is with deep sadness and heavy hearts that we inform the residents of Glenburn Township and our friends in the Abington's of the passing of Supervisor Bill Wicks.

Bill was a colleague and friend, a dedicated public servant for 18 years, and a Township resident for most of his life.

Bill passed away on Friday afternoon, October 11, 2024. Bill was 58 years old.

The Township will miss him more than words can express. Bill would often get behind the wheel of the plow truck during a snowstorm, operate the backhoe when necessary, and would always help our road crew anytime they needed an extra hand. Bill would always consider both sides of an issue before making a decision, and would always offer an explanation of why he felt the way he did.

We will share the details regarding the funeral or memorial service as we get more details from his family. Please keep his wife Kelly and his wonderful family in your thoughts and prayers during this difficult time.

Thank you for your service to our community Bill, you certainly made a difference.
