

Glenburn Township Curbside Spring Clean-up May 9, 2025

Glenburn Township Spring Cleanup Information

Glenburn Township will hold its annual spring cleanup on Friday, May 9, 2025. Residents are asked to place cleanup items curbside for pickup by 5:30 AM on May 9, 2025. At the discretion of our contractor, the items will be removed on Friday until completed.

Metals must be kept separate from other items.

Items that will NOT be picked up include Regular household trash, recyclables, grass or leaves, non-compactable items such as brick, block and concrete, cast iron, auto parts, tires, batteries, motor oil or lubricants, paint (dried up paint cans ok), paint thinners or turpentine, pesticides, hazardous, noxious, caustic, or acid chemicals, asbestos, metal drums, propane tanks, oil/gas containing items, explosives of any type including gun loading materials and electronics.

Refrigerators, freezers, and air conditioners must be certified as Freon-free and have a tag containing the technician's ID number and date.

Mattresses must be in a mattress bag and can be purchased at any Home Depot, Lowes, or similar store. Otherwise, they will not be removed, and the owner must remove them from the curb.
